SPECIAL FILMING CONDITIONS LAFAYETTE SQUARE

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

This is one of the most photogenic neighborhoods in Los Angeles, with beautifully restored, historic turn-of-the-century architecture. Lafayette Square is bounded by Victoria Avenue, Lafayette Road, Venice Boulevard and Washington Boulevard.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or any substantial set preparation.** *Permit requests must be submitted at least three (3) days in advance.*
- **Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.,** unless affected residents (generally those within 300' of the filming activities and 200' of equipment parking) are surveyed to identify neighborhood concerns and approval is obtained from the Permit Authority. The approved times must be indicated on the permit.
- **Weekend or holiday filming will generally not be permitted unless approved by the Permit Authority.**
- **Prep and strike days must be included on the permit and may not take place on weekends unless approved by the Permit Authority.**
- **Posting for parking of production vehicles will be limited to one side of the street only.** Production companies are encouraged to use St. Charles Place.
- **Trash and refuse must be removed from the area immediately after filming activities are completed.**
- **Personal vehicles of cast and crew may not park on area streets.** Off street parking must be provided.

Filming in the Lafayette Square area requires that notification be given to the representative of the Neighborhood Association. *The current contact is Irving Meyers- cell (213) 200-8503 or email irvnosh@cs.com*
